

 CAMELOT™
2010

"Every day, we're charting new territory."

MONACO®

DRIVING YOUR DREAM.

YOU'RE HOME.

The 2010 Camelot is loaded with more top-of-the-line features than ever before. In the cockpit you'll find an all-new birdseye bordeaux dash with a color rear vision system and optional GPS. Oil rubbed bronze fixtures and polished solid surface countertops take sophisticated styling to new heights. And the new optional central vacuum with a toe-kick vacuum in the pantry provides the ultimate in convenience.

CAMELOT™ 

MONACO®

DRIVING YOUR DREAM.

Years ago, you realized the best part about the road is that it never ends. There's always a scenic detour, a new town to explore or a new landmark to see for yourselves. Charting new territory is what the Camelot is all about. It's the confidence to get off the beaten path — and the comfort that follows you there. Even if it's a familiar destination, the journey's never exactly the same. For one simple reason. You're in the Camelot.

IT'S ALL ABOUT YOU.

Each thoughtful detail is designed to make your life on the road more enjoyable. The spacious bedroom and bathroom feature beautiful decorative touches and all the comforts of home. A king-size bed, shown here, comes standard on the 42-foot floorplans, and an optional Select Comfort air mattress allows you to customize the firmness for a perfect night's sleep.

A 26-inch LCD TV is now standard in the bedroom, and a new DVD player with IR repeater makes a great option.

ROADMASTER RR10S—SERIES CHASSIS Available on the 42DFT and 42PDQ
ROADMASTER RR8S—SERIES CHASSIS Available on the 38PDQ

- 1** Equipped with a steel firewall and steel stepwell for added safety.
- 2** Three monitored leveling sensors (two in the rear, one in the front) continually adjust the air pressure within each air bag to maintain a level ride and eliminate nosediving, weight transfer, and floating on curved roads.
- 3** Automatic Traction Control (ATC) eliminates wheel slippage in slick conditions and heightens control. The Anti-Lock Braking System (ABS), with front disc brakes and rear drum brakes, gives you superior stopping power, especially on steep grades. Together, these sophisticated systems offer the very best safety on the road.
- 4** Our exclusive raised rail design provides for larger full pass-through storage bays with flush floors.
- 5** Frame rails are constructed of 3-1/2" by 6-1/4" by 3/8" 100,000 PSI steel for greater strength; a side-mounted aluminum radiator and intercooler reduce weight, won't rust, and deliver better heat transfer than steel cooling components.
- 6** The Cushion Air Glide suspension features 10 gas-charged shocks and 10 air bags, 8 of which are outboard mounted (RR10S). The RR8S-Series chassis features 8 gas-charged shocks and 8 outboard-mounted air bags.

- 7** Goodyear tires 295/80R/22.5
- 8** Allison® 3000 MH 6-Speed World Transmission with electronic shifter. Our exclusive use of synthetic transmission fluid allows for up to three-year maintenance intervals for the Allison® transmission.
- 9** Cummins® ISL 425 HP diesel engine.
- 10** A 10,000 lb. tow hitch rating is the highest in its class. Prewired for supplemental braking system that works with your tow vehicle.

CUMMINS® ISL 425

For 2010, the Camelot boasts a powerful new standard engine — the Cummins® ISL 425 HP with 1,200 torque. One word says it all. Vroom.

ALL WITHIN REACH.

Camelot's roomy storage bays feature side-swing doors and full pass-through compartments that are ideal for larger items. An optional slide-out tray makes everything easily accessible with no awkward bending or reaching.

THE DIFFERENCE IS IN THE DETAILS.

Take the wheel of a luxury motorhome, and you're taking the wheel of the chassis it rides on. That's why the Camelot rides exclusively on a Roadmaster chassis that is custom built to deliver the very best diesel motorhome experience. Roadmaster's construction utilizes the most advanced design and engineering to distribute stress evenly throughout the entire chassis, reducing the possibility of torque or twisting and increasing durability and reliability. In addition, the anti-lock braking system with front disc brakes offers increased safety. It's the ultimate foundation for a luxury ride.

MULTIPLEX WIRING

Multiplex wiring, used throughout the coach, replaces cumbersome bundles of wire with separate modules. These modules communicate via a single wire, making servicing easier and reducing the overall weight of the RV. A service technician can simply hook up a laptop directly to the modules for easy troubleshooting.

9-LAYER MOLDED FIBERGLASS ALL-SEASON FOAM INSULATED ROOF

(top to bottom)

- One-piece 1/4" fiberglass roof is crowned for easy water runoff
- Luaun backing
- 2-1/2" thick tapered bead foam insulation
- 1-1/2" x 3" aluminum I-beam superstructure on 16" centers filled with 3" fiberglass insulation
- Vapor barrier
- Structure foam provides added thermal barrier
- 1/2" bead foam insulation
- Foam padding for extra insulation
- Easy-to-clean padded vinyl ceiling

5-LAYER LAMINATED GEL COAT FIBERGLASS SIDEWALLS

(left to right)

- Wallpaper
- 1/8" luaun
- 1-1/2" x 1-1/2" square tubular aluminum frame
- High-performance thermal insulation
- High-gloss gel coat fiberglass exterior

6-LAYER FLOORING

(top to bottom)

- Carpet pad and carpeting or tile
- Structurwood™ for added reliability
- High-performance thermal insulation
- 1-1/2" x 1-1/2" square tubular frame
- 1/8" luaun
- Waterproof Darco underbelly provides moisture barrier

NOW FOR THE HARD PART.

Choosing the Camelot was easy. Now, it's time to make it your own. For 2010, our designers at Monaco are pleased to present you with a stunning array of standard and optional décors and cabinetry styles from which to choose. Select the décor that best fits your personal style — from warm and wonderful to cool and classic. Then pair it with one of our five popular solid wood cabinetry choices and you've created a one-of-a-kind masterpiece. But don't worry, even if you end up flipping a coin, you always win with Monaco.

BUY LOCALLY. ENJOY EVERYWHERE.

Monaco RV strongly encourages our retail customers to purchase from their local dealerships whenever possible. Buying a new Monaco RV locally allows a customer to establish a relationship with a dealer close to home and provides convenient service and support from product-trained technicians. On our end, Monaco RV will continue to provide our dealer partners and customers with the finest recreational vehicles in the industry.

THE VIEW FROM ABOVE.

The 2010 Camelot offers something for everyone, with overall lengths of 38 feet and nearly 43 feet. Floorplans feature quad slide-outs (38PDQ and 42PDQ) and the must-see full-wall slide on the 42DFT, for spacious luxury and all the appointments you've come to expect from Monaco. Just a few points of interest include a king bed, full rear wardrobe and roll-out kitchen countertop extension all standard on both 42-foot floorplans; a bath-in-a-half layout with two solid surface vanites with integrated sinks and tons of storage on the 42-foot floorplans; a full rear wardrobe, second solid surface vanity with integrated sink, and a 32-inch LCD flatscreen TV in the living area hutch on the 38PDQ.

¹Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your owner's manual for further towing information.

²All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

³Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Monaco provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Monaco dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications

as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may depict a floorplan option that has been discontinued or is no longer available at the time of your purchase. Photographs may show props or decorations that are not standard equipment. Monaco, the Monaco logo and its design, are registered trademarks. Other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and

reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and printing. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer. Component part and appliance manufacturers issue limited warranties covering portions of the recreational vehicle not covered under the Limited Warranties issued by Monaco RV, LLC. To learn specific details regarding warranty coverage, please contact your selling dealership or review the warranty packet inside the recreational vehicle.

ELECTRICAL SYSTEMS AND LIGHTS

- › 50 Amp 120V Distribution Panel and Power Cord Reel
- › Battery Maintainer
- › Onan® 8.0 kW Quiet Diesel Generator on Manual Slide-Out (38PDQ)
- › Onan® 10.0 kW QD Generator on Manual Slide-Out (42PDQ and 42DFT)
- › Energy Management System
- › Slide-Out Battery Tray
- › Four 6V Deep Cycle House Batteries
- › Two 12V Heavy-Duty Chassis Batteries
- › Battery Disconnect Switch at Front Door
- › Battery Boost Switch in Cockpit
- › 2,000 Watt Inverter
- › Porch Light
- › Lighted Exterior Power Entry Step
- › Lighted Interior Entry Steps
- › Lights in Outside Storage Compartments
- › 120V Receptacles in Outside Storage Compartment
- › Underhood Utility Light
- › Multiplex 12V Wiring for All Lighting Throughout Interior of Coach
- › Halogen Lighting in Ceiling Throughout
- › Oil Rubbed Bronze Decorative Lighting in Living Room, Dinette and Bath
- › Prewire for Solar Panel

OPTIONS

- › Auto Generator Start
- › 2,000-Watt Pure Sine Wave Inverter
- › Solar Panel with Controller and Display

PLUMBING AND LP SYSTEMS

- › Demand Water System and Water Pump
- › 10-Gallon LP Gas/Electric Water Heater with Electronic Ignition
- › Single-Handle Oil Rubbed Bronze Kitchen Faucet with Pullout Sprayer
- › Central Water Filtration System
- › Single-Handle Oil Rubbed Bronze Bath Faucet
- › Single-Handle Oil Rubbed Bronze Shower Faucet with Slide Bar and Shut-Off Valve at Shower Head
- › Exterior Tank Monitoring Gauges
- › Water Heater Bypass Valve
- › Water Pump Switch in Convenience Center, Service Bay and Bath
- › China Toilet
- › China Toilet Electronic Silent Plus (Rear Bath 42DFT)
- › Shower inside Wet Bay with Hot/Cold Water
- › No-Fuss Flush Holding Tank Rinsing System
- › Gravity and Pressurized Water Fill
- › Insulated Systems Compartment with Easy Access to Hookup
- › Sewer Hose Storage (Deleted When RV Sani-Con Tank Drainage System Is Selected)
- › One-Piece Round Shower with Reeded Glass Door

- › One-Piece Neo-Angled Shower with Obscured Glass Door
- › Satin Nickel Shower Door Frame with Decorative Glass

OPTIONS

- › Power Water Hose Reel
- › RV Sani-Con Tank Drainage System
- › Electric Automatic Winterization
- › Neo-Angled Bathtub

HEATING, VENTS AND AIR CONDITIONING

- › Dual 13.5M BTU Roof Air Conditioners with Ducted Air, Heat Pumps and Digital Thermostat Control (38PDQ Only)
- › Three 13.5M BTU Roof Air Conditioners with Wall Thermostat and Heat Pump (42PDQ and 42DFT)
- › Dual Zone Electronic Ignition Furnaces 51M BTU
- › Electronic AC/Heat Climate Control System
- › In-Floor Ducted Heating System
- › 12V Attic Fan in Kitchen, Hall Bath and Private Bath
- › 12V Heater in Wet Bay

OPTIONS

- › Aqua-Hot® 450 Water and Heating System
- › Ceiling Fan in Bedroom
- › Dual 15M BTU Roof Air Conditioners with Ducted Air, Heat Pumps and Digital Thermostat Control (38PDQ Only)
- › Two 15M BTU Roof Air Conditioners and One 13.5M BTU Roof Air Conditioner with Wall Thermostats and Heat Pumps (42PDQ and 42DFT)

WINDOWS, DOORS AND AWNINGS

- › Radius Flush-Mounted Dual Pane Safety Glass Dark Tinted Slider Windows
- › Front Entry Door with Air Seal, Removable Screen and Anti-Skid Steps
- › Keyless Entry in Grab Handle with Baggage Door Lock Release and Doorbell
- › Metal Interior Grab Handle at Entry Door and on Dash across from Passenger Seat
- › Eclipse Automatic Patio Awning
- › Automatic Front Door Awning
- › Topper Slide-Out Awnings Living Area and Bedroom
- › Window Awnings on All Windows except Slide-Out Windows under Patio Awning
- › Tinted Skylight in Bathroom with Protecta Glaze

OPTIONS

- › Apex Automatic Patio Awning with Remote

SAFETY

- › Fire Extinguisher
- › Deadbolt Lock on Entrance Door
- › 120V GFI Protected Circuit
- › LP Gas Detector
- › Smoke Detector
- › Carbon Monoxide Detector
- › Driver and Passenger Three-Point Integrated Seatbelts
